*"I hope each of you will join me in supporting the Foundation's major focus, Pediatric Trauma, and our six partner hospitals, thereby allowing the Foundation to meet the increasing needs of our partner hospitals. Governor Dick and I fully support the District Foundation in their continued efforts to build a better future for our children. Together with your help, we can accomplish so much more."*

**-- Cheryl Olmstead, 2011-2012 First Lady**

#### **Working together, making a difference:**

Together, we can keep children safe by providing education and resources to children and their families and by supporting our network of children's hospitals.

It is our hope each club will join us in our efforts to give children in the communities we share the very best chance to live full and meaningful lives. There are many ways both clubs and members can impact a child.

As part of the 2011-2012 First Lady's Focus, we're pleased to introduce "Cheryl's Drive for Five." By supporting Cheryl in her "Drive for Five" and becoming a Champion for Children, you help ensure the Kiwanis Cal-Nev-Ha Foundation is here tomorrow, and each day after that, supporting our families, youth and clubs, helping to make each community a better place.

Donors who join between October 1, 2011 and September 30, 2012 will receive our commemorative "Drive for Five" lapel pin to acknowledge their support. Help us make a difference in the life of a child. Become a Champion today!
