

Glendora Kiwanis President Chuck Gomer and
Kiwin President Katie Seccombe.

The Kiwins took over our meeting this week and pointed out reasons that each of us should make a donation to their club. When Kiwin President Katie Seccombe was finished, our members had donated over \$500.00. In addition we had in our club budget another \$500.00 for them. The Kiwins at St Lucys are a very active group that has 303 members this year! Fortunately they all did not attend our meeting. (we would not have room for that many) Attending with their President were, Clarice Alba, Vice President; Monica Esparza, Corresponding Secretary; Nicole Kathol, Recording Secretary; Analise Gammarariello, Treasurer; and their Advisor, Marsha Solano.

This year the Kiwins have been active with support of Operation Iraqi Kids, and have visited and taken supplies to many needy families in Tijuana, Mexico.

President Chuck misplaced his gavel at our meeting, and was facing some stiff recovery fees. When Mike Conway stood to make an announcement, his coat opened a bit and the gavel almost fell out of his pocket on to the table! (BUSTED)!!
President Chuck recovered his gavel along with \$5.00 from Mike.
