CAL-NEV-HA Division 35  
PATRIOTISM BANNER PATCH  
INFORMATION

THE NEED: As Kiwanis International clubs take on the challenge to diversify the membership of their club, more information is needed to educate members about American Patriotism. This is a special project for 2006-2007 initiated by Lt. Governor Rona Lunde.

Purpose: To increase the patriotic spirit of Kiwanis Club members within Division 35.

## GOALS:

- To encourage more members to assist with voter registration and poll working.
- To encourage more members to vote.
- To help members understand the symbolic relevance of our national symbols and heroes.
- To educate members about historic facts related to American patriotism, freedom and liberty.
- To encourage members to think about patriotism for five minutes at each meeting.

## How the program works.

Clubs will earn points toward their Patriotism Banner Patch based on various activities listed below. 150 points are necessary to receive a Patriotism Banner Patch. The Club President should appoint a "Club Patriot" to help promote the program. The Club Patriot and President will report their club's activities on a Patriotism Form and submit it by September 30, 2007 to qualify to receive a Patriotism Banner Patch. This project begins October 1, 2006 through September 30, 2007.

Clubs who complete the required number of points ahead of this date will receive their patch immediately. Lt. Governor Rona is eager to have clubs finish in March so that their banner patch can be presented in April when the Governor visits the District.

To assist the Club Patriot, ten sample patriotic information lessons have been prepared to instruct the club in patriotism.
