### Key Club Region 13 Conclave

Saturday, January 16th, 2016

**Division 35 West**  
By Austin Ly

This past weekend I have had the honor of hosting Conclave. We had 18 candidates present their speeches to over 200 members from Region 13. Each and every candidate did an amazing job of presenting their speeches and plan to the Region. It was a bittersweet experience to see these amazing candidates go on stage and give their speeches. It makes me sad that the year is ending but I have the utmost faith in our new Lieutenant Governor Elect! I am looking forward to him putting his plans into motion for the upcoming year. It is also great because this member is also from my home club. Once again Glen A. Wilson will have the Lieutenant Governor. Dylan Tran is the elect for the 2016-2017 year! I have known Dylan for 3 years now and I know that he will do amazing things next year.

**Division 35 East**  
By Sabrina Bodine

Emily Chen was selected to be D35E Lieutenant Governor for the 2016-2017 term! The event was a huge success thanks to all of the other LTGs and the Kiwanis that came. Although I knew the event would go smoothly, I was so nervous about how it would turn out since I knew all the candidates, and any of them could have gotten it. Overall, it was just a very exciting event and I can't believe it's over!

### Glen A. Wilson KIWIN'S Aktion Club Potluck

November 20th, 2015

By Victoria Kuang

This Thanksgiving, Glen A. Wilson KIWIN'S organized a holiday dinner for Aktion Club, a service club for mentally disabled adults. The potluck was held at the Del Haven Community Center, where Aktion Club and KIWIN'S members engaged in friendly conversation and got to know one another. This event was an amazing experience because we were able to tell them about Thanksgiving, and ask them who they were thankful for.

We even helped them make Thanksgiving cards for their loved ones! Afterwards, the Aktion Club members all got in line and we served them a delicious holiday dinner, complete with turkey, mashed potatoes, and salad. Seeing the delight and holiday cheer on their faces made the whole event worth it!
