

Division 35 Service Project 2012-13

Date 4-11-2013

Williams Elementary School
301 S. Loraine Ave.
Glendora, Ca 91741

List of items needed for the troop boxes (200) each

It is recommended because of space and quantity of items, that items should be of smaller size, maybe 8 oz or travel size if possible or applicable.

If you choose a powder, gel or liquid product, please seal it in a baggy or Ziplock bag to prevent leakage

We cannot ship any products that contain alcohol such as mouthwash or antifungal gel

We cannot ship anything that is an aerosol so foot powders are fine, but no foot sprays. Roll-on deodorant is fine but no sprays.

If there are items that you would like to add to the list, that shouldn't be a problem as long as they are appropriate and can fit into the boxes. Please check with the chairman, Robert Davis to make sure it is allowed.

Please choose 3

- | | |
|--|--|
| 1. Toothpaste | 17. Gum |
