

## Objects of Kiwanis

To give primacy to the human and spiritual, rather than the material values of life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social, business, and professional standards.

To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

To cooperate in creating and maintaining the sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

Governor Oscar E. Knight III and  
First Lady Gladys Knight
