Lieutenant Governor's Corner Membership Matters

A New Kiwanis Year!

It's with great pleasure that I greet you as your new Lieutenant Governor. And I have been given a mission to help the District by working within our Division 35 to make a difference in our

communities and with our Sponsored Youth (SLP).

To do that, we have joined TEAM KIWANIS, which is the District Theme for Dan Connolly's Year as Governor.

We need to Start our Engines, because the Green Flag is waving us on to run the course of the Divisional Race.

Some of the goals:

- Start a New Club in Div. 35
- Support our Sponsored Youth

Our Goals are in the acronym, TEAM:

T is for Teamwork

Promote the Key Leader program
Strengthening the Partnership between

Kiwanis and our Service Leadership Programs

E is for Enthusiasm

Build Up and Increase our projects with our Sponsored Youth

A is for Action

Creating and Promoting "Kiwanis Moments" with service projects with our SLPs

M is for (guess?) Membership

- 10% increase in District
- New Club in our Division
- Net Growth of 3 members in Your Club
- Club President should bring in 2 of the 3

S is for Support

- Of Clubs across our Division and other Divs
- Increase Retention of Members by 2%
- Clubs should be involved in Club Leadership Ed.
- And every Club should remember their GPS:

G: Growth; **P:** Powers; **S:** Service

At our first DCM, 10/16, please come and learn about our BIG PRIZE for having the most growth in your Club for the Year.

= A very special gift was presented by the **Glendora Kiwanian Club** to the Foothill Presbyterian Hospital, Emergency Room on Wednesday, September 24th. The purchase was made from the generous donations to **Cash for Trash**, the Kiwanian's ink cartridge recycling program. For those not familiar with the program, money received from **Cash for Trash** provides for children receiving treatments in the hospital. The treatments can be long or short term and can be for catastrophic life threatening or minor illnesses. 100% of funds received are used for toys, entertainment and sometimes transportation for the children. A toy cube, as well as individual puzzles and toys, were presented for the waiting room at FPH, for children waiting to be seen for treatment.

= On Sunday, October 5, 2008, two members of the **Glendora Kiwanian Club** received awards. Joan Hallidy received the Dunlap Award, and past Kiwanian President Debbie Deal received the Kiwanian of the Year Award. Both awards were presented by Lt. Gov. Mike Tanaka at the Division 35 Installation.

KEY CLUB NEWS -- Division 35E

Fall Rally is approaching fast! It is on Saturday, November 15th, from 10 am to 6 pm. The fee is only 23 dollars for Key Club members.

Our Division Mascot is a Pirate!

To Kiwanis: We Need Your Help with Chaperones!!! (And You Will Be Our Guests!!!)

This month, our division is filled with good news! First one, is the club membership drive. Most of the clubs had their club rush for their schools this month. Although the officers were anxious about the expansive membership fee (11 dollars went to International and District Board, which is comparable with the membership fees required by other clubs), it all turned out to be VERY successful. Nogales High School Key Club, almost tripled their membership, from 40 members to 117 in the end of the membership drive. Diamond Bar High School more than doubled their number from some 100 members to 265 members. And finally to top it off, Walnut High School kept their title for having the most members by adding 44 more members to their original 301 members.

The other good news is that the clubs from Bishop Amat, San Dimas, and Bonita High School all contacted me. This was VERY HELPFUL! I had no way of contacting these clubs, because even their Kiwanis clubs were having some trouble in communicating with these clubs. Now that I can communicate with these clubs, we can have a more active division!

Additional good news for our division is that we hope to be adding a new Key club to our division. The school is John A. Rowland High School. The to-be officers already have contacted their supporting Kiwanis Clubs (La Puente Industry & Walnut Valley) and are under process of becoming a Key Club! Nogales High School Key Club is planning to have a social and have invited Rowland's almost-Key Club to join them. Our division is EXPANDING!!

Kiwanis partners with Boys & Girls Clubs

Kiwanis International's new partnership with [Boys & Girls Clubs of America](#) (BGCA) brings together two organizations with a strong emphasis on serving children.

The partnership allows the organizations to work together to create growth and increase youth-serving opportunities. The relationship promises many benefits, including: Kiwanis meeting space at BGCA facilities, BGCA speakers at Kiwanis meetings, and joint service projects.

"Boys & Girls Clubs of America is focused on leadership and character development for young people," says Kiwanis International CEO Rob Parker. "Kiwanis is totally committed to serving the children of the world and to leadership and character development that leads to life-changing service. This partnership will be one of the most natural and dynamic partnerships we have ever developed."

See you in Nashville!
