From the Office of the Lt. Governor,
Tony Miller
Kiwanis Division 35
Hello all, and welcome to month 4 of the
Kiwanis year.

First off, let's all congratulate Immediate Past LTG Dave Wallach for his outstanding efforts and 1,000's of hours he spent on making this year's International Kiwanis Rose Float one of the best ever. I had the opportunity to work on one of the final nights decorating our float; yes it was the first time for me; and yes they gave me and my 14-year-old granddaughter a good apprentice job (gluing bark to the floor of the float). While at the Float Pavilion Dave introduced me to our Kiwanis International President Paul Palazzolo and his family; yes it was a thrill for me to have a one on one with our International President. THANKS Dave.

Coming to Burbank sooner than you think is our **DISTRICT MID YEAR CONFERENCE**, on February 20th. Get your reservations in now. It looks like the District has some great speakers and sessions planned for this one-day event, starting with Alan Penn, Kiwanis International Vice President, in the opening session. Speaking of Cal-Nev-Ha they have asked for information identifying EXTRAORDINARY SERVICE PROJECTS. It sounds like they listened in on our last DCM. More on this at our January 14 meeting. Let's start 2010 off right: Bring at least four members from your club for an interclub, and don't forget to bring that *new* member. See ALL of you Thursday the 14th, 6:00-6:30 open social, 6:30-7:00 dinner, meeting starts 7:00.

Tony Miller, LTG

CLUB & DIVISION EVENTS

Monrovia Kiwanis Club News

On December 10th, Monrovia held their Annual Christmas Concert Luncheon featuring the Citrus Singers. As usual this was an outstanding program with many guests in attendance.

=====

Also in December we handed out just under 500 children's books from Santa Claus (who was our member, Alfredo Mejia) at our local school. The children were very excited seeing Santa & sent us several handmade "thank you" cards.

Many of our members worked several days with others in our community giving out food & gifts through the Unity Center.

Walnut Valley Kiwanis Club News

The weekend before Christmas, the Walnut Valley Club completed their annual (35+ years) distribution of Holiday Food Baskets to needy families. Recently, the need has grown, and this year 161 families received a frozen turkey, fresh fruit and vegetables and 2 or more boxes filled with canned goods (collected by the Walnut H.S. Key Club). The Walnut Key Club collected so many cans that the community food bank, Isaiah's Rock, will be able to feed their needy families for the month of January, normally a very lean month for donations. Members and Key Clubbers also assisted Isaiah's Rock to serve over 1600 families the same weekend.

Glendora Kiwanianne Club News

How much would you “pay” to recover your stolen property? Kiwanianne President Pat Rasmussen “lost” her Presidential Bell, which was offered up for auction (in a gift basket wrapped with clear wrap and a paper poinsettia) at the Club’s annual Holiday Dinner. The bidding was spirited, the bidding had gotten to \$150, when Pat’s husband ended all discussion with a final bid of \$200. Pat knew she no longer had funds to bid on the rest of the items being auctioned – until she learned that the bidding was a hoax and her “ransom” of her bell would cost her only \$25. She claims to have a motion sensor device attached to her bell now.

LTG Tony Miller's message this month (page 1) includes the District's desire to recognize Clubs' Projects. Please read the below, and have your Club commit to identifying one or more Projects that help define your Club and its impact on your community. Share this with LTG Tony as well as follow the below information.

Here's the District's note:

We're looking to identify the existing Extraordinary Service Projects in Cal-Nev-Ha. What would be "Extraordinary"? How about "Over the Top", "Defining", "Flagship", makes a "Significant Impact".

The shortest path to greatness is by "Modeling". Which means *don't reinvent the wheel*. Just copy the proven success of others. We know how great Service Projects can empower a club. If we can start identifying these projects, and then sharing the information, this could help "bootstrap" some clubs to success.

Please also circulate this to the clubs in your Division and/or those that you know who may know better than you.

Please email me information to include:

Your name, club, email address and phone.

Club name (performing the project), your area, and number of members

Project name, what it does, who it helps, how many does it help, years in existence, how has it grown, how many are needed to put it on, cost in man hours, cost in dollars

Is it a joint project? With who? Public attendance? Public participation?

Yours in Kiwanis service,

Paul Campbell
