Celebration of Service

Fellow Kiwanians of Division 35; but especially new club officers, committee chairs, and directors,

Five, four, three, two, ONE... BLAST OFF!

As of this writing it is T minus 10 and counting and the good ship "Division 35 of 2007-2008" is up and away!

All of us at this moment probably look like the proverbial deer staring into the lights of an oncoming car! We are probably asking, "What do I/we do NOW?"

Don't worry. We have a great Division. Our Division 35 is over 50 years old. We have just come off a great year, because of the great Kiwanians in Division 35. That pool of talent and dedication is still there for this new year, too.

Just think. On October 2, 2007 Sierra Madre just inducted a new member! And on October 3, 2007 the Kiwaniannes of Glendora just inducted two new members. And they promised another new member in November!

As each of our club presidents calls and presides over their first Board of Directors meetings, remember to ask our committee chairs and the directors to think of the best way to serve our communities. Think of ways to raise the funds, which your charities need, and all the while having fun in the process.

One important ACTION ITEM will be addressed at the Oct. 18th DCM. **Can the thirteen Div. 35 clubs donate \$200.00 each to feed 600 teenagers while they decorate the Rose Parade floats in December? These funds can be contributed from the club's "Service" account.** We have contacted Casa Blanca Restaurant. They said that they could feed these 600 teens for \$2,500.00, which equals a hot meal at \$4.16 per person!

I want to thank all of the Division 35 clubs for inviting my wife Linda and me to your installation meetings. The variety of venue and cuisine and camaraderie made each meeting fun, unique, and memorable.

I thank the veteran Kiwanians who are continuing to serve. I thank the newer Kiwanians who are stepping forward to serve. I thank all of you for trusting in the Kiwanis ideal: WE BUILD!

God speed, Division 35 clubs. Make us proud to be Kiwanians!

Kiwanis Club of El Monte

Children's Day Parade: October 20, Arceo Park. This will be their first project for the Administrative Year 2007-2008; It seems like a good idea for a fundraiser to start the New Year off. The El Monte Kiwanis will run a stand to distribute school supplies to children.

The El Monte Club has numerous SOAP schools: AHS Key Club, Rio Hondo and Frank Wright Builders Club, and they're organizing a new Builders Club at Durfee School.

Did You Know?

The Cal-Nev-Ha District Convention Delegates have approved our District change to the way it governs itself. The plan, as approved by the delegate body in Reno at our annual convention, created 18 regions within Cal-Nev-Ha and 18 trustees, each serving a staggered three-year term.

The current structure has the 44 Lt. Governors also serving as trustees. Each October we install new Lt. Governors/Trustees and retire the current Lt. Governor/Trustee losing the year of knowledge just attained. While this system has worked well for years it is now time to change. Our district is growing and with our goal of 100,000 members this will cause us to have over 125 Lt. Governors. That would mean the Board of Trustees would be a body of over 130 members and this is just not efficient or workable. The Board, as approved, will be a body of 18 Trustees and 5 officers for a total of 23 members.

Serving a three-year term, the non-LTG trustee will be much better informed on the needs and challenges of the District. There will be continuity with 2/3 of the Board remaining each year. This Board will be knowledgeable of the finances and policies of the District like never before and thus able to act strategically to keep our District fiscally sound and increase membership.

There are many other areas where the continuity of a three-year term will be beneficial including realignment which will occur as we grow, convention locations and dates, supervising our Service Leadership Programs and training and educational programs.

Four other Districts have adopted the regional trustee system of governance and all have found the new system to improve the governance of the districts. This change will allow Cal-Nev-Ha an opportunity to grow to 100,000 members and improve the governance of the District.

Kiwanis is a global organization of volunteers dedicated to  changing the world one child and one community at a time

Happy Halloween!

The Kiwanis Club of Glendora has had the privilege of helping the Red Cross Meals on Wheels financially for many years. In September, member Penny Paulus presented a program about the involvement that she and her husband Dick have had with this program. Once a month they take a route and deliver meals to those in need. They have been doing this for many years and say that the rewards of serving others in this way far out weigh the small effort that it takes. Contact them to see if you can help in your Club's area. You can sign up as an individual, or do as Dick and Penny do and work together as a team. Once a month for a couple of hours is not much time when you consider the good service you will be providing to others. Just call and find out how you can serve. The phone numbers are (626) 966-9526 or (626) 858-8382.

On September 27, Penny Paulus presented a check for \$1,000.00 from the Glendora Kiwanis Club to Phillippa Herbert, the Director for YWCA Senior Services to help fund the Meals on Wheels program.

KIWANIS INTERNATIONAL DEFINES SERVICE PROJECTS

400 - DEFINITION OF A SERVICE PROJECT

A service project is an activity consistent with the Objects, objectives, and Policies of Kiwanis International, devised or planned by a Kiwanis club or a club committee, and performed by club members for the benefit of others. (1980) (10/96)

401 - COMMUNITY SERVICE ACTIVITY

401.1 - Guidelines for Community Service Activities

- A. Endorsements: A Kiwanis club should not make a practice of endorsing projects, no matter how meritorious, unless the club is willing and prepared to assume its full share of the responsibility for the accomplishment of that which it endorses. (5/93)
- B. Duplication: A Kiwanis club should not assume the functions or responsibilities of a chamber of commerce or board of trade. The Kiwanis club and Kiwanians, individually, are encouraged to be active members of such organizations, as they do provide for the betterment of their community. (5/93)
- C. Cooperation: In selecting its community service activities, a Kiwanis club should cooperate with existing organizations rather than create a new one, unless existing organizations are unable to accomplish the intended purposes and objectives. (5/93)
- D. Nature: Community service activities requiring Kiwanis members' time and effort are more in accord with Kiwanis service ideals than activities requiring only that the club make a monetary contribution. (1980) (10/96)

401.2 - Service Projects That Take More Than One Year to Complete

The current club board of directors cannot bind future boards. If a club wishes to undertake a project that will continue beyond one administrative year, two (2) weeks' written notice of a vote on said project must be sent to the club membership prior to the voting. An affirmative vote of the club membership commits the entire club, including succeeding boards of directors, to continue the project until it is completed, or until the club membership reverses its original action. (5/93)

401.3 - Annual Service Goals and Objectives

The development of worldwide understanding, friendship, peace and goodwill, and the betterment of mankind are specific objectives of Kiwanis service. Clubs will investigate the needs of their communities and develop appropriate service projects to meet those needs. Any identified need merits consideration; however, clubs will give first consideration to three service areas: sponsored programs, Young Children: Priority One, and services to youth. (5/93) (4/97)
