INSTALLATION OF RONA LUNDE

For the Kiwanis Year beginning 10-1-2006

Glendora resident Rona Lunde was installed recently as the new Kiwanis Lt. Gov. of Division 35 for 2006-07. Division 35 is part of the California-Nevada-Hawaii ("Cal-Nev-Ha") District of Kiwanis International.

She will coordinate activities and events in the division's 14 area clubs in the San Gabriel Valley and officiate at the monthly division meetings, as well as various club events. During her 12-year membership in the Glendora Kiwanianes Kiwanis Club she has served as president, board member, and committee member, and a Div 35 chairperson for several years.

During the Installation, Trudy Brandt of the Walnut Valley Club was recognized for her 10 years of consecutive service as Division Treasurer, perennially keeping the Div. 35 in the black; the Glendora Kiwanianes Club was doubly honored by receiving the Club of the Year and Club Secretary of the Year (Kay Robinson); in addition, a very surprised Bert Brandt of the Walnut Valley Club was named the Div 35 Kiwanian of the Year for his service as Division Newsletter Editor and other services to the Division.

Ms Lunde's division theme for the year is "Riding the Road of Service." Her theme is represented on her official pins by a red Corvette driven by an American Eagle, and featuring the Kiwanis logo on the hood. The Kiwanis Div. 35 Installation Dinner was held at the Monrovia Restaurant in Monrovia, and was attended by some 80 members and guests, including vocalist Renee Gibson Bailey who provided the special entertainment.

Rona Lunde, newly installed Kiwanis Lt. Gov. Div. 35 is shown with several Kiwanis officials following her installation.
